| Valuation of Project |  |

The valuation shall include the cost of all drawings, engineering, parts and labor. If an unrealistic low valuation is submitted, the Fire Marshal shall determine the valuation.

- **All submittals shall include:**
  1. Minimum two sets of drawings
  2. Cut sheets for all equipment
  3. Written scope of work
- Fire sprinkler and underground supply applications shall bear a Washington State Certificate of Competency stamp.
- Call Fire Prevention at 253-946-7248 for any questions
- Design criteria can be found at [www.southkingfire.org](http://www.southkingfire.org)
